ENVIRONMENT COUNCIL

Brussels,
15 March 2010

Available on TV Newsroom:

- Arrivals, all doorsteps
- Roundtable
- Press conferences

The screenshot shows the website's layout with a navigation bar at the top containing 'HOME', 'VIDEO ARCHIVE', 'COUNCIL OF THE EUROPEAN UNION', 'ABOUT US', and 'CONTACT'. A search bar is located on the left. The main content area features a 'Download our video packages in broadcast quality' section with a 'VIEW & DOWNLOAD NOW' button. Below this, there is a 'TTE COUNCIL (16 VIDEOS)' section, including a 'Press Conference (Energy) - Part 1' video player with technical details like 'Shoot date: 12 March 2010' and 'Type: Press conference'. A 'RELATED VIDEOS' section lists items such as 'EU-USA Summit EU-US Energy Council' and 'TTE (Energy) Council - December 2009 Arrivals'. On the right side, there are several utility boxes: an 'E-MAIL' login form, a 'Treaty of Lisbon' link, 'The President' link, a 'Play Trailer' button, a 'GET YOUR E-MAIL ALERT FOR EACH NEW VIDEO OFFER!' subscription box, and a 'COMING UP' section listing upcoming events like 'Environment Council Press Conference-Environment' and 'Troika ECOFIN Arrivals'.

For the illustration footage of the other institutions, see next page

European Commission Media library on *Climate change*:

A report from the frontline

Powerful personal stories from Haiti and the Dominican Republic, from Malawi, Burkina Faso and Vietnam. From villagers living through desert drought, to shanty-dwellers on flooding riverbanks, to a typhoon-wrecked school, this report shows how vulnerable communities are living on the edge.
