

European Council
The President

Brussels,

17 -04- 2019

Dear Prime Minister, dear Jüri,

Allow me to congratulate you upon taking up your second term as prime minister, following parliamentary elections last month. With its record e-voting numbers, Estonia has once again demonstrated that it is a leader in all things digital.

I am happy to learn that your coalition intends to follow the same trajectory in European, foreign and security policy that Estonia has been on for many years now. This path has served Estonia and the European Union well.

I count on your continued and excellent contribution to the work of the European Council.

Looking forward to seeing you in Sibiu,

Yours sincerely,

Donald Tusk

H.E. Mr Jüri Ratas
Prime Minister of the Republic of Estonia
