Millennium development goals

From the EUROPEAN COMMISSION Media library:

Millennium development goals

At the half-way stage of the Millennium Development Goals timetable, 2008 is a crucial year on the international stage as regards the development agenda. In 2000, the international community set eight Millennium Development Goals to be achieved by 2015. The purpose of the communication is to review the efforts made by the EU to achieve faster and better progress towards the Millennium Development Goals (MDG). The Commission will take stock of the EU's activities in areas such as reducing extreme poverty and hunger in the world, or access to primary education for all.
