**Statement by the spokesperson of HR Catherine Ashton
on the attacks in Iran**

The spokesperson of High Representative of the Union for Foreign Affairs and Security Policy/Vice President of the Commission Catherine Ashton issued the following statement today:

"High Representative/Vice-President Catherine Ashton was shocked to hear about two explosions in Zahedan, Iran that killed at least 21 people and wounded many more. She strongly condemns these cowardly terrorist attacks for which there is no justification. HR Ashton sends her condolences and expresses her solidarity with the families and friends of the victims."
