**Javier SOLANA,  
EU High Representative for the CFSP,  
calls for the release of Morgan Tsvangirai**

Javier SOLANA, EU High Representative for the Common Foreign and Security Policy (CFSP), condemned the arrest of Morgan Tsvangirai and called for his immediate release.

Less than a month before the second round of the presidential election and with the violence continuing, Mr Tsvangirai's arrest will heighten further the fears of the Zimbabwean people and the international community about the conditions under which this poll, crucial for the future of Zimbabwe, will be held.
