TRANSPORT,
TELECOMMUNICATIONS
AND ENERGY COUNCIL
Luxembourg,
24 June 2010

Available on TV Newsroom:

- Arrivals, all doorsteps
- Roundtable
- Signature of Amendment to EU-US Open Skies Agreement
- Press conference

The screenshot shows the Council of the European Union TV Newsroom website. The header features the EU flag and the title 'Council of the European Union TV NEWSROOM'. Navigation links include HOME, VIDEO ARCHIVE, COUNCIL OF THE EUROPEAN UNION, ABOUT US, and CONTACT. A search bar is on the left. The main content area highlights a video package for the 'INFORMAL HOUSING MINISTERS MEETING' with a 'VIEW & DOWNLOAD NOW' button. Below this is a 'RELATED VIDEOS' section with 'LATEST VIDEOS' including 'Visits to Herman Van Rompuy' and 'European Defence Agency'. The right sidebar contains a login form, a 'The President' section, a 'Trailer' section, and a 'COMING UP' section listing upcoming events like 'TTE Council All arrivals and doorsteps' and 'TTE Council Roundtable'.

For the illustration footage of the other institutions, see next page

Europe making our skies safer

Air traffic is growing rapidly in Europe: it has more than doubled over the last 15 years. The establishment of the internal market in air transport has contributed to a large extent to speeding up this trend. Considerable progress has been made in recent years, in particular concerning the prevention of air accidents and incidents.

Date: 3/2007 - 00: 11:02
