**Javier Solana,
EU High Representative for the CFSP,
condemns house demolitions in East Jerusalem**

Javier SOLANA, EU High Representative for the Common Foreign and Security Policy (CFSP), issued a statement today condemning the recent demolitions of Palestinian houses in East Jerusalem:

"I am deeply concerned by the reports of recent demolitions of Palestinian houses located in East Jerusalem. Such actions further undermine the efforts of the international community to re-launch credible peace negotiations aimed at achieving a just and sustainable peace. I urge the Israeli authorities to end these discriminatory measures. Everybody must avoid the risk of escalation in East Jerusalem."
