

Letter of congratulations from President Donald Tusk to Boyko Borissov on his reappointment as Prime Minister of Bulgaria

On behalf of the European Council, I wish to warmly congratulate you on your reappointment as Prime Minister of the Republic of Bulgaria.

I am confident that your government will provide Bulgaria with stability conducive to the continued development of your country as well as the European Union.

I am glad that we had the opportunity to hold a phone conversation shortly after your reappointment, in which, among other things, we discussed the situation in the former Yugoslav Republic of Macedonia. As a member of the European Union and upcoming holder of the Presidency of the Council of the EU, Bulgaria plays a particularly active role in supporting stability and strengthening the democratic processes in its neighbourhood.

I look forward to once again working closely with you, and I wish you every success.
