

Political declaration, Brussels declaration and action plan of the second EU-CELAC summit

We, the Heads of State and Government of the European Union (EU) and of the Community of Latin American and Caribbean States (CELAC), and the Presidents of the European Council and the European Commission, met in Brussels, on 10 and 11 June 2015, for the II EU-CELAC Summit, our eighth bi-regional meeting, under the theme "Shaping our common future: working together for prosperous, cohesive and sustainable societies for our citizens".

As an expression of our shared determination to further strengthen our relationship, deepen our dialogue and given the importance we attach to the bi-regional strategic association, we have adopted a Declaration on a 'Partnership for the next generation'.
