

PRESS RELEASE

125/17

10/03/2017

Conclusions by the President of the European Council, 9 March 2017

The European Council deliberated on the attached document. It was supported by 27 Members of the European Council, but it did not gather consensus, for reasons unrelated to its substance.

References to the European Council in the attached document should not be read as implying a formal endorsement by the European Council acting as an institution.
