European Council
15-16 December 2016
Brussels, Justus Lipsius building
PRESS CENTRE

I. PRESS CENTRE

The press centre will be installed in the usual area on levels 00, 01 and 02, as well as level 20 of the Justus Lipsius building.

The press centre will open at 7.30 on Thursday 15 December 2016 and access is subject to possession of a valid European Council badge (6-month or event-specific badge).

- Media facilities
  
  About 1000 work spaces, equipped with telephone, Wi-Fi connection without password and power supply, are located as follows:

  - level 02: 36 work spaces
  - level 01: 80 work spaces
  - level 00: 198 work spaces
  - level 00 (mezzanine): 110 work spaces
  - level 00 (Atrium): +/- 600 work spaces

  It should be noted that no PCs will be installed.

  Closed-circuit television carrying host broadcaster videos, images and messages will be in operation throughout the press centre.

- Reservation of work spaces for journalists
  
  Media representatives may reserve work spaces using a label indicating their name and media organisation. The press office cannot reserve work spaces.

  Reserved spaces not occupied at the beginning of the summit may be taken by others.

- Internet connection
  
  Internet connection (Wifi and wired connections) will be available to journalists and other media operators
There will be the possibility to select the following WiFi services (no password is required): ConsiliumSummit (only available during summits and for devices supporting 5GHz WiFi) or Consilium (always available, accessible to 2.4 and 5 GHz WiFi devices).

Do not connect to ConferenceNet unless the Consilium/ConsiliumSummit WiFi service is unavailable, such as on levels 01 and 02 of the press centre.

In order to ensure good connectivity to the Council's internet/Wifi system for all users, journalists and media operators are kindly asked to:

- use wired equipment for cameras and microphones as much as possible. If using their own router/switch, please be sure to disable WiFi feature;
- disable "personal hotspots" feature on individual smartphones or similar devices;
- not to have both wired and wireless connections to the Council network active at the same time on individual devices.

• Press conference room/briefing rooms

The main press conference will take place in the press room located on level 00.

The briefing rooms for use by member States are located on levels 20, 10, 01 and 02. The exact location of briefing rooms will be displayed in the press centre.

II. AUDIOVISUAL SERVICES

• Photo/TV coverage

The media programme will be issued at a later stage.

• Facilities for TV stations

TV editing rooms with telephones and ISDN connections, equipped for reception of the host broadcaster TV signal.

ConferenceNetAV: this is a dedicated internet access for devices without a user interface allowing online acceptance of the "terms of use". To activate this network service, please contact the press info desk (0032 2 281 9000).

For services provided by the Eurovision/EBU (distribution of signals, multilateral or unilateral transmission and reservation of editing rooms on a "first come, first served" basis), please see the information distributed to TV stations by the EBU.

III. DELIVERY AND REMOVAL OF TECHNICAL EQUIPMENT

IMPORTANT: For delivery and removal of equipment you must request a personal daily badge (see below).

• Delivery and installation of technical equipment

Delivery and installation of technical equipment must be carried out between 08.00 and 18.00 on Wednesday 14 December via the following entrance points:

- "Froissart", Rue Froissart 112: this greatly facilitates unloading but may be used only for vehicles up to a maximum height of 2.30 m; or
- "Etterbeek", Chaussée d'Etterbeek 70: for vehicles exceeding a height of 2.30 m.

After the equipment has been unloaded, a member of the security office will accompany you to the press centre. A few trolleys will be available.

Delivery vehicles must leave the area of the Justus Lipsius building immediately after unloading.

• Removal of technical equipment

The equipment must be removed, depending on the end of the meeting:

- on Friday 16 December after the security perimeter has been lifted; or
- on Monday 19 December between 08:00 and 18:00 via the Etterbeek entrance.

Please send your request before 17.00 on 9 December specifying, for delivery on Wednesday 14 December and removal on Friday 16 December or Monday 19 December:

1) the name of the transporter of the equipment or the media team;
2) the names of team members;
3) the registration number of the vehicle delivering/collecting the equipment;
4) the expected time of arrival
