

Progress Review:

Joint Declaration on legislative priorities 2026 One Europe, One Market Roadmap

State of play
October 2026

In the **Joint Declaration for 2026** the three institutions committed to working on shared key legislative proposals and to monitoring their progress throughout the year.

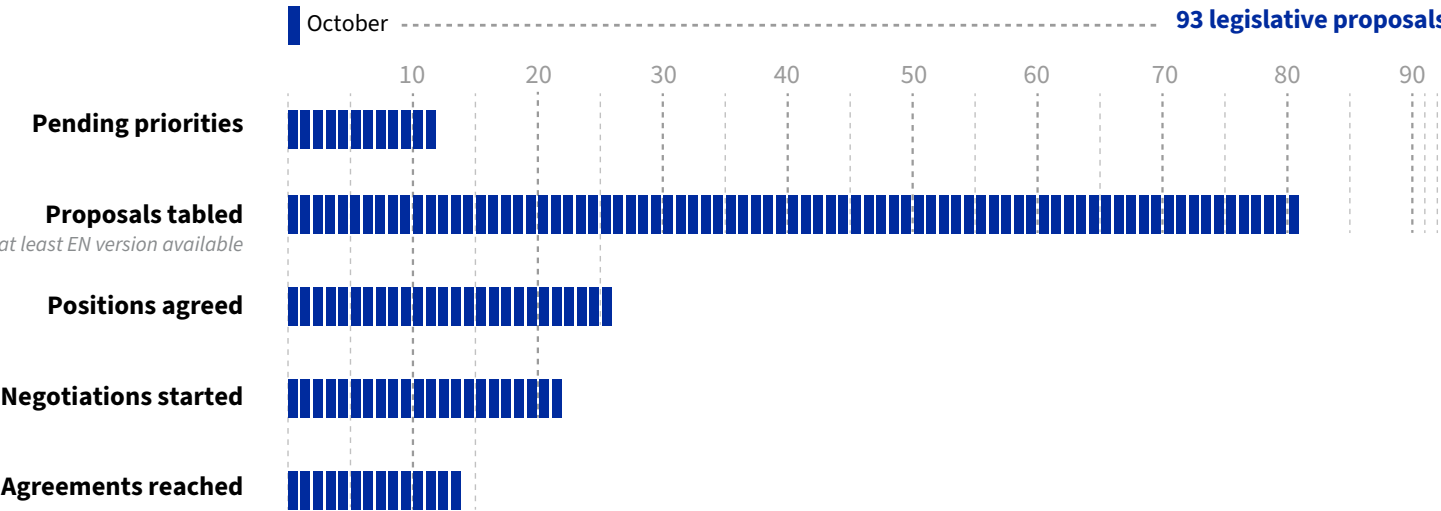

Version: 14 October 2026

The **One Europe, One Market Roadmap** commits to delivering a fully integrated and fairer Single Market by the end of 2027.

Key achievements since the last progress review in June 2026

Dashboard on priority proposals - Joint Declaration and Roadmap

In progress

The three institutions agreed on **ten priorities** and **five strategic building blocks** as a shared core legislative agenda. Work is advancing, including on initiatives strengthening the social dimension of the Single Market. The topical files in the **spotlight** are key proposals discussed between the three institutions during the monitoring cycle from June to October 2026.

State of play
October 2026
